

Greetings,

The Chautauqua County Humane Society is excited to inform you that we are going to hold our 1st Rescue Run 5K on May 20th . The run will begin near the CCHS Adoption Center at 2825 Strunk Road in Jamestown and take participants through Fluvanna's neighborhoods. There will be costs associated with this event and we are asking for your help to get this event off the ground. The 5K will feature a wide range of age categories and will be timed by professionals using chip technology. For those interested in a walk option, the CCHS Walk for Paws will be making its return on September 16th, 2023 at Panzarella Point Park in Jamestown.

Your support will help CCHS cover basic costs of the event so more money raised can go directly to the care of the animals. With your support of the campaign, you will receive recognition through name mention in ads on the Media One Radio Group (WJTN/WWSE/Rock 103/WHUG/WKSN/WKZA), WNY News Now, and on CCHS social media as well as our website Chqhumane.org. We will also offer recognition in our 2nd Chances Thrift Store, 707 Fairmount Avenue in Jamestown.

See the included sponsoship sheet for levels and recognition.

Sincerely,

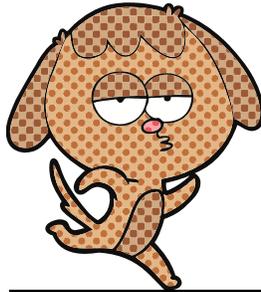

Brian Papalia  
CCHS Director of Fundraising & Communication
